Re: 2011 and 2012 Talons Team Practice, Expenses

Enclosed are the 2011 and 2012 Team Talons program player dues schedule and expenses. Our initial costs to players are based on the start-up investment necessary to carry out the team's once per week practices, team uniforms and operational expenses.

Practices will once again be scheduled (based on Fieldhouse availability) for Sunday's, from December through July Player Development Program season periods. Tournaments and recreational league participation will be determined by the Parker Fieldhouse time availability and league schedules.

Several program initiatives for fundraising, foundation grants and donation drives will occur throughout the 2011 and 2012 season to help meet our player development program goals and objectives, such as;

Buffalo Wild Wings Fundraiser
Applebee's Pancake Breakfast Fundraiser
Liberty Mutual Responsible Sports Grant Contest
CEIHF Grant Request Program
Lawyer's Up with Hockey Fundraiser Tournament

So, let's band together and put in the effort to make this a successful year of learning and achievement with a high standard of team work and respect. **GO TALONS!**

Respectfully,

Eddie Delgado
