YOU'RE INVITED!

Kids need our help, and we respectfully ask for your support.

We are seeking your **HELP** and want to invite you to Colorado's first inline hockey competition between Colorado's Law Firms.

The *Lawyer's Up with Hockey Tournament* is a fundraiser for the Colorado Inline Hockey Federation outreach program that provides funding for Denver's inner-city and at-risk children through the sport of inline hockey.

Over the past two years the CEIHF has reached hundreds of Colorado's kids to improve their health and fitness education with sports activity programs such as:

- Hockey without Boundaries,
- Buddy Up with Hockey
- Youth Sports Development Programs

The CEIHF provides yeararound sports activity programs that also include summer floor hockey and inline hockey camps and clinics, with the introduction throughout Colorado elementary schools and youth outreach programs for at-risk youth and economically challenged families.

Our partnership with the Colorado Avalanche has helped provide much needed hockey equipment for which we have distributed to such outreach programs as Colorado UpLift, Town of Parker, Parks and Recreation, and the Challenge to Excellence Charter School.

We now need your help and are counting on your participation in this fun tournament to help continue to make a difference within our communities. Please join us and help us make a difference.
